Re: Disability Insurance

Dear Michael :

I am writing to thank you for your excellent service in helping me to secure a long-term disability policy.

My situation as a part-time medical doctor is somewhat unusual. My professional academy agents and local agents had been unsuccessful in finding any coverage. Contacting the AMA Insurance Agency was a last resort.

I was lucky to have you pick up the case. From the beginning you contacted me promptly, stayed in touch as the search progressed, and when nothing could be found went the extra mile to look for a carrier outside the traditional US providers. The policy you located through Lloyds of London meets my needs at a very agreeable yearly rate. You and the wonderful Paula kept on top of every detail as the application and approval process progressed. I would recommend you and your firm without reservation.

Thanks again for all your help.

Sincerely,
