Dear Michael,

It's been a pleasure working with you and MEG Financial concerning the Key Man policy you were able to provide for our corporation. The personal attention to our needs and timeline requirements were handled with the upmost professionalism and timeliness.

It's a pleasure working with other professionals who specialize in superior customer service. You and your staff were informed with the requirements needed for the Dental Hygiene Key Man policy during every phone call and status updating review

The effort and completion of the policies were exemplary and I look forward to working with you and MEG Financial in the future.

Respectfully,

Dr. Peter Kole
